

Sponsor a Student

The Saint Cletus Sponsor a Student (SAS) program provides individuals and local business leaders with the opportunity to help our families overcome financial obstacles to providing their children with a Catholic education. One out of every six St. Cletus school families requests tuition assistance. Many others may not even consider St. Cletus School due to their inability to make tuition payments. Catholic education provides students with excellent academics in a loving, faith-filled setting.

Donors are invited (but not required) to attend school activities and participate in volunteer opportunities.

Who benefits?

Any St. Cletus parish family with a demonstrated financial need is eligible for this program.

How do I contribute?

Tax deductible contributions may be made through online giving, monthly contributions through the Sunday collection, and directly to the parish office. Several gifting levels are available:

- The actual cost to educate a St. Cletus student for an academic year - \$5,675
 - The cost of tuition, while substantial, does not completely cover the expense of educating our children. The parish subsidy of the school budget is approximately \$484,500 per year.
- The cost of tuition for one year - \$4,057 for the first child
- The cost of tuition for one semester - \$2,029 for the first child
- The cost of registration and fees for one student - \$200 – per child
- Any amount that you are able to give
 - Every dollar that you can give is greatly appreciated. Gifts of 10-20 dollars are valued and welcomed.

Payment Options

Tax deductible contributions may be made monthly or as a one-time payment. Donors may pay by check or credit card.

Make a difference in the life of a student today!

Approximately 1/6 of our school families are in need of assistance to make their dream of a quality Catholic education for their children a reality.

St. Cletus students graduate well-prepared for the next phase of their education. More importantly, they are educated in Catholic values that will remain with them for a lifetime.

We are grateful for your contribution in any amount. Your willingness to participate in this program is an example of the compassion and selflessness that we strive to instill in our students.

No donation is too small. Every gift makes a difference!
