

Would you like to meet fellow parishioners of St. Cletus in a small group setting and share a meal together? If so, Suppers 8 is for you. Dinner is hosted in members' homes with dates and locations chosen by each group. The host prepares the main dish, while other members bring an appetizer, salad, or dessert. At the end of the fourth month, all gather for a pot luck before groups are rearranged and a new session begins.

We plan to begin the next round in early April, so please complete the information below and return it to the Parish Office by March 19<sup>th</sup>. You can also contact Steve & Sue Schutz at s\_schutz@msn.com or 314-973-8707.
