Formation: The rest of the Parish Council Binder

Council looked over the Parish Staff, Parish Report for Organization/Committees, and Parish Council Formation sections of the binder. The Council will ask to meet with our parish's Business Manager Bill Matula who also works with our Finance Council at our June meeting. The Council will review Bill's financial report before the meeting. The PTO will be asked to meet at July's meeting, Liturgy at August's, School Board at September's, and Men's Club at October's, all bringing an executive summary to the Council.

Discussion Items

The further reflection on materials from identified ministries was discussed in the Formation portion of the night.

Focus on Al's survey was on having the question, "Why?" answered for many questions– *Why* do people go elsewhere for Mass? *Why* do people attend one Mass over another? *Why* are you involved? Al will revise, taking into account the Council's suggestions, and send to the Council via email.

Pastor's Time

Religious Liberty and Faithful Citizenship will be discussed at May 30's Adult Formation meeting. Father discussed Fr. Terry's departure and what we can expect to see for the parish moving forward, noting that St. Cletus is very capable of functioning with a single priest. Fr. Terry's party will be held in June. The Endowment Committee met last month and agreed to hire someone to help evangelize to the students of the school.
