What is Christ Renews His Parish?

Christ Renews His Parish (CRHP, pronounced "chirp") is a spiritual renewal experience that brings adult parishioners together in small groups in order to deepen their relationship with Jesus Christ and each other. Whether you have attended retreats in the past or not, CRHP is a weekend like you have never experienced before! It is a gift from the Lord! You are invited to take time out to discover, in a casual, relaxed atmosphere, how to connect more deeply your Catholic Faith with your daily life.

Why should I attend?

These days it is so easy to get caught up in the worldly aspects of our life that we sometimes forget that we also have a spiritual life. Just as we take vacations to refresh our physical and mental being, our spiritual life needs an occasional revitalization to refocus our life on what Jesus wants us to do. If you are looking to grow spiritually, need your spiritual life recharged, or are wondering what God is asking you to do, the CRHP retreat is a good place to reflect and listen to His Word.

What happens during the weekend?

Come prepared to have fun and renew your heart. The substance of the weekend is the presentation of a number of personal stories in which individuals share their faith with you. Group discussion and response are invited following each presentation. You'll be free to share as much or as little as you feel comfortable. You and your needs will always be respected. The sharing dialogue is stimulated in a very liturgical, scriptural, and prayerful atmosphere. Opportunities for Scripture sharing, Reconciliation and Eucharist are provided during the weekend.

Who can participate?

Any person within the parish boundaries of St. Cletus over 19 years old is invited and encouraged to attend a weekend retreat. CRHP is for anyone seeking spiritual renewal, desiring to build up the Body of Christ, or gain a deeper sense of purpose within our St. Cletus community.
