New Business:
A discussion was had on figuring out the future of how the parish council will run. Important items discussed were the frequency of elections and the number of members for future councils. Maggi will send out an email to each member to find out individual opinions and compile data.

Dates for future all ministry meetings will be August 16th, 2025 and February 21st, 2026.

Next PC meeting will focus on clear path with minimal Parish business. In the future Maggi will email any major business updates that she needs our opinion on so that we can formulate opinions before meeting and save time.

Pastor's time:
Father Chris would love to incorporate more silence into Mass after Communion. Father Chris would like to introduce more small-faith formations.

The next meeting is June 18th, 2025.
